## EXPERIENCE

### UX/UI Game Design

2021 ( 1 month )

#### Freelance

Responsible for designing and developing the game's UI page using basic languages HTML, CSS, and JavaScript. Receive compensation after completing that work.

#### Stacks and Tools

● HTML ● JavaScript ● CSS ● JQuery

### Software Tester

Nov 2022 - Jan 2022 ( 3 month )

#### Muang Thai Life Assurance

Responsible for testing web application systems within the organization. This will be a manual test.

#### Stacks and Tools

● JavaScript ● GitLab

### Full Stack Web Developer

June 2023 - Feb. 2024 ( 9 month )

#### Sabuy technology

Responsible for collecting user needs and designing UX/UI to respond to users and then starting to develop web application systems for the organization.

#### Stacks and Tools

● HTML ● JavaScript ● SCSS ● Angular ● TypeScript ● C# ● .NETCore ● GITLab ● Docker ● Kubernetes

### Entronica co., ltd

In Progress

#### Software Developer (API)

I work as a Full Stack Developer, primarily focusing on the back-end. My responsibilities include developing and managing APIs, deploying systems using Kubernetes and Docker, and analyzing system flows to ensure APIs function efficiently and align with the overall application structure.

#### Stacks and Tools

● Node JS ● Express ● Postman ● GitHub ● Docker ● Kubernetes ● DrawIO ● Git Flow

---

## SKILLS

### Programming Language Skills

Python Java TypeScript C# JavaScript SQL Lua Golang

### Framework Frontend

React.js Angular Next.js

### UI Component Libraries

PrimeNG PrimeReact Material UI (MUI) Bootstrap HeroUI

### CSS Utility-First Framework

Tailwind CSS Windi CSS Bootstrap Utility API

### Framework Backend

Node.js Express.js ASP.NET Core FastAPI

---

## PROJECTS

### Game Quiz

Java

### Game Quiz 3D - Unreal 4

Blueprint

### Web Application for booking Co-Working Space

Angular TypeScript C# .NETCore

[github.com/Fuse441/colab](https://github.com/Fuse441/colab) [github.com/Fuse441/backupAPI](https://github.com/Fuse441/backupAPI)

### Web Application HUB For organization Sabuy Tech

Angular TypeScript C# .NET Core

### Generator Swagger API By Excel or JSON

NodeJS Express

[github.com/Fuse441/GeneratorSwag](https://github.com/Fuse441/GeneratorSwag)

### Extension Auto-complete format JSON

JavaScript TypeScript

[github.com/Fuse441/ac-autocomplete](https://github.com/Fuse441/ac-autocomplete)

### Generate JSON to MongoDB

JavaScript TypeScript
